PERKINS MOTOR Özellikleri

80 yıllık bir üretim geleneğine sahip olan Perkins; gaz ve dizel motorlar konusunda dünyanın önde gelen üreticilerden biridir.

Simdiye dek üretmiş olduğu yaklaşık 20 milyon motorun yarısından fazlası hala çalışmaktadır. Perkins ürünleri güvenilirlik, esneklik, entegrasyon ve düşük maliyet konusunda haklı bir üne sahiptir.

Yılda 800.000 civarında motor üretimine sahip Perkins' in en büyük müşterisi Caterpillar'dır. Aralık 1997 yılından bu yana da Perkins, Caterpillar'ın bir parçası olmuş ve böylelikle de dünyanın en büyük dizel motor üreticisi haline gelmiştir.

Perkins markasının en önemli niteliklerinden biri de; 3.500 adet yaygın servis ağı sayesinde çalışan motorlarına ekipman ve yedek parça konusunda küresel anlamda destek sağlamasıdır.

2000-4 kW (2800-5 hp) aralığında tarım, inşaat, sanayi, enerji üretimi ve malzeme taşıma sektörlerine yoğunlaşan Perkins, kaliteli dizel ve gaz motor ürünleri ile dünya çapında saygın ve değerli bir markadır.

PERKINS ENGINES Features

Perkins has a manufacturing tradition of 80 years; is one of the world's leading suppliers of gas and diesel engines.

With nearly 20 million engines produced, of which more than half are still running, Perkins products have earned a reputation for reliability, dependability, flexibility, integration and low cost of ownership. Perkins capacity is to produce up to 800,000 units per year. The largest single customer for these engines is Caterpillar.

Since December 1997, Perkins has been part of Caterpillar, creating the world's largest diesel engine manufacturer. A key part of the Perkins value is its global product support network which ensures all its engines are kept running. Global product support provided by 3,500 distribution, parts and service centers is a key element of the Perkins brand proposition.

Perkins focuses exclusively on designing and manufacturing engines within the agricultural, construction, industrial, power generation and material handling sectors in the 2000-4 kW (2800-5hp) range.

Your vision is our commitment.

Reach out to us today, to explore the great possibilities.
